5.55.030 Requirement for Tobacco Retail License

- A. It shall be unlawful for any person to act as a Tobacco Retailer in the City without first obtaining and maintaining a valid Tobacco Retail License pursuant to this Municipal Code Chapter 5.04.010 for each location at which Tobacco Retailing is to occur. No Tobacco Retail License will

be issued to an authorized Tobacco Retailing at other than a fixed location. No License will be issued for itinerant Tobacco Retailing or Tobacco Retailing from vehicles.

- B. Nothing in this Chapter shall be construed to grant any person obtaining a Tobacco Retail License any status or right other than the right to act as a Tobacco Retailer at the location in the City identified on the face of the License, subject to compliance with all other applicable laws, regulations, and ordinances. Nothing in this Chapter shall be construed to render inapplicable, supersede, or apply in lieu of any other provision of applicable law, including, without limitation, any condition or limitation on indoor smoking made applicable to business establishments by Labor Code Section 6404.5.
- C. No person who is younger than the minimum age established by California law for the purchase or possession of Tobacco Products shall engage in Tobacco Retailing.

5.55.040 Applications Procedure

- A. Application for a Tobacco Retail License shall be submitted to the City in the name of each Proprietor proposing to conduct Tobacco Retailing and shall be signed by each Proprietor or an authorized agent thereof. A Proprietor proposing to conduct Tobacco Retailing at more than one location shall submit a separate application for each location.
- B. All applications shall be submitted on a form supplied by the City and shall contain the following information:
 - 1. The name, address, and telephone number of each Proprietor.
 - 2. The business name, address and telephone number of the fixed location for which a Tobacco Retail License is sought.
 - 3. The name and mailing address authorized by each applicant to receive all License-related communications and notices (the "authorized address"). Failure to supply an authorized address shall be understood to consent to the provision of notice at the business address specified in paragraph 2, above.
 - 4. Whether or not any applicant has previously been issued a License pursuant to this Chapter that is or was at any time suspended or revoked and, if so, the dates of the suspension period or the date of revocation.
 - 5. Such other information as the City Manager deems necessary for the administration or enforcement of this Chapter.
 - 6. Any and all additional requirements contained in a Tobacco Retail License application pursuant to this Municipal Code Section 5.04.030.

5.55.050 Issuance and Renewal License

- A. Upon the receipt of an application for a Tobacco Retail License and the payment of a Tobacco Retail License fee, the City shall issue a License unless:
 - 1. The application is incomplete or inaccurate.
 - 2. The application seeks authorization for tobacco retailing at an address that appears on a license that is suspended, has been revoked, or is subject to suspension or revocation proceedings for violation of any of the provisions of this chapter. Notwithstanding the

foregoing, this subparagraph shall not constitute a basis for denial of a license if either or both of the following apply:

- a) The applicant provides the City with documentation demonstrating that the applicant has acquired or is acquiring the premises or business in an arm's length transaction. For the purposes of this subparagraph, an "arm's length transaction" is defined as sale in good faith and for valuable consideration that reflects the fair market value in the open market between two informed and willing parties, neither under any compulsion to participate in the transaction. A sale between relatives, related companies or partners, or a sale for the primary purpose of avoiding the effect of the violations of this chapter that occurred at the location, is presumed not to be an "arm's length transaction."
 - b) It has been more than three years since the most recent License for that location was revoked.
3. The application seeks authorization for Tobacco Retailing by a Proprietor for which or whom a suspension is in effect or by a Proprietor which or who has had a license revoked, pursuant to this chapter.
 4. The application seeks an authorization for Tobacco Retailing that is unlawful pursuant to this Chapter, or that is unlawful pursuant to any other local, state, or federal law.
 5. The City has information that the applicant or his or her agents or employees have violated any local, state, or federal tobacco control law at the location for which the License or renewal of the License is sought within the preceding 30 day period.
 6. The City has information that the applicant or his or her agent or employee has violated any local, State or Federal tobacco control law, including this Chapter, within the preceding (12) months.
 7. The issuance of a Tobacco Retail License would be in conflict with any other City ordinance.
- B. Beginning from the effective date of this Chapter, all Tobacco Retailers have until December 31, 2016 to obtain a License. Any License issued prior to December 31, 2016, shall remain effective until December 31, 2017. An application to renew such License shall be made no later than 30 days prior, but no earlier than 60 days prior to the expiration of the License. The City has no obligation to issue notification of impending expiration of any License. The applicant shall follow all of the procedures and provide all of the information required by Section 5.55.040 above. The City shall process the application according to the provisions of this section. A License may be renewed annually by submitting a Tobacco Retail License application to the City along with payment of a Tobacco Retail Licensing fee; provided, however, a Tobacco Retail License that is suspended, has been revoked, or is subject to suspension or revocation proceedings shall not be renewed.
- C. If the information required in the License application pursuant to any subsection of Chapter 5.55 changes, a new Tobacco Retail License is required before the business may continue to act as a Tobacco Retailer. For example, if a Proprietor to whom a License has been issued changes business location, that Proprietor must apply for a new License prior to acting as a Tobacco Retailer at the new location. If the business is sold, the new owner must apply for a License for that location before acting as a Tobacco Retailer.
- D. A Tobacco Retail License that is not timely renewed pursuant to this chapter shall be automatically suspended by operation of law. If not renewed, a license shall be automatically revoked six months after the renewal date. Additionally, civil, criminal and/or administrative

citations may be issued during this interim period for failure to maintain the appropriate License. To reinstate the paid status of a License that has been suspended due to the failure to timely pay the renewal fee, the Tobacco Retailer must:

1. Submit the License renewal fee plus a reinstatement fee of ten percent of the License renewal fee; and
2. Submit a signed affidavit affirming that he or she has not sold any Tobacco Product or Tobacco Paraphernalia during the period the license was suspended for failure to pay the License renewal fee.

5.55.060 Display of License

Each license shall be prominently displayed in a publicly visible location at the licensed premises. Failure to properly display the license will result in the issuance of a citation.

5.55.070 License Fees

The fee for issuance or renewal of a Tobacco Retail License shall be established by resolution of the City Council and shall be in addition to the City's business license fee and any other license or permit fee imposed by this code upon the applicant. The Tobacco Retail License fee shall be paid to the City at the time the license application is submitted. The fee shall be calculated so as to recover the cost of administration and enforcement of this Chapter, including, for example, issuing a License, administering the License program, Tobacco Retailer education, Tobacco Retailer inspection and compliance checks, documentation of violations, and prosecution of violators, but shall not exceed the cost of the regulatory program authorized by this Chapter. All fees and interest upon proceeds of fees shall be used exclusively to fund the program. Fees are nonrefundable except as may be required by law.

5.55.080 Licenses Nontransferable & Convey a Limited, Conditional Privilege

A Tobacco Retail License is nontransferable and subject to the provisions of this Municipal Code Section 5.04.040. Nothing in this Chapter shall be construed to grant any person obtaining and maintaining a Tobacco Retailer License any status or right other than the limited conditional privilege to act as a Tobacco Retailer at the location within the City's jurisdictional boundaries identified on the face of the License, subject to compliance with the terms and conditions of this Chapter.

5.55.090 License Violation – Compliance Monitoring

- A. It shall be a violation of a Tobacco Retail License for a Tobacco Retail Licensee or his or her agents or employees to violate any local, state or federal tobacco-related law.
- B. It shall be a violation of this Chapter for any Tobacco Retail Licensee or any of the Licensee's agents or employees to violate any local, state, or federal law regulating controlled substances or Drug Paraphernalia including, but not limited to, California Health and Safety Code section 11364.7, as that section may be amended from time to time.

- C. In addition to the provisions of Section 5.04.080 of this Municipal Code, compliance with this Chapter shall be monitored by the San Diego Sheriff's Department. Any peace officer or Municipal Code compliance official also may enforce this Chapter. The San Diego Sheriff's Department shall check compliance of each Tobacco Retailer at least one time per twelve (12) month period and shall conduct additional compliance checks as warranted. The compliance checks shall be conducted to determine, at a minimum, if the Tobacco Retailer is complying with tobacco laws regulating underage sales. The San Diego Sheriff's Department shall use youth decoys and comply with protocols for the compliance checks developed in consultation with the San Diego County Department of Health and Human Services and the San Diego District Attorney. When appropriate, the compliance checks shall determine compliance with other tobacco-related laws.

- D. The City shall not enforce any tobacco related minimum age law against a person who otherwise might be in violation of such law because of a person's age (hereinafter "youth decoy") if the potential violation occurs when:
 - 1. The youth decoy is participating in a compliance check supervised by a peace officer or a Code compliance official; or
 - 2. The youth decoy is participating in a compliance check funded in part by the San Diego County Department of Health and Human Services or funded in part, either directly or indirectly through sub-contracting, by the California Department of Health Services.
 - 3. The youth decoy has a letter of permission for such compliance check activity from the District Attorney's Office.

5.55.100 Suspension or Revocation of License

- A. In addition to any other penalty authorized by law, and including the provisions of this Municipal Code Section 5.04.100, a Tobacco Retail License may be suspended or revoked if the City finds, after notice to the Tobacco Retail Licensee and opportunity to be heard, that the Tobacco Retail Licensee or his or her agents or employees has or have violated any of the provisions of this Chapter; provided, however, violations by a Licensee at one location may not be accumulated against other locations of that same Tobacco Retail Licensee, nor may violations accumulated against a prior tobacco retail licensee at a licensed location be accumulated against a new tobacco retail licensee at the same licensed location.
 - 1. Upon a finding by the City of a first License violation within any three-year period, the City shall:
 - a) Issue a written warning to the Licensee.
 - b) Advise the Licensee of the penalties for further violations of this Chapter.
 - c) Require the Licensee to provide documentation to the City that all employees engaged in the Retail Sale of tobacco have received training in a City approved program within sixty (60) days after the warning, or such other time as shall be set by the City.
 - 2. Upon a finding by the City of a second License violation within any three year period, the License may be suspended up to thirty (30) days.
 - 3. Upon the finding by the City of a third License violation within any three year period, the license may be suspended for up to ninety (90) days.

4. Upon the finding by the City of a fourth License violation within any three year period, the License may be suspended for up to one (1) year.
 5. Upon a finding by the City of a fifth License violation within any three year period, the License may be revoked.
- B. A Tobacco Retail License shall be revoked if the City finds, after notice and opportunity to be heard, that any one of the conditions listed below exist. The revocation shall be without prejudice to the filing of a new application for a Tobacco Retail License.
1. One or more of the bases for denial of a Tobacco Retail License under Section 5.55.050 existed at the time the Tobacco Retail License application was made or at any time before the Tobacco Retail License was issued.
 2. The application is incomplete for failure to provide the information required by Section 5.55.040.
 3. The information contained in the application, including supplemental information, if any, is found to be false in any material respect.

- C. In the event the City suspends or revokes a Tobacco Retail License, written notice of the suspension or revocation shall be served upon the Tobacco Retail Licensee within five (5) days of the suspension or revocation in a manner prescribed in Section 5.55.040. The notice shall contain:
1. A brief statement of the specific grounds for such suspension or revocation;
 2. A statement that the Tobacco Retail Licensee may appeal the suspension or revocation by submitting an appeal, in writing, in accordance with the provisions of Section 5.55.110, to the City, within ten (10) calendar days of the date of the service of the notice; and
 3. A statement that the failure to appeal the notice of suspension or revocation will constitute a waiver of all rights to an administrative appeal hearing, and the suspension or revocation will be final.

5.55.110 Denial, Suspension and Revocation - Appeals

- A. Notwithstanding any provisions in this Municipal Code Sections 5.04.110; 5.04.130; 5.04.140 and 5.04.150, any Tobacco Retail License applicant or licensee aggrieved by the decision of the City in denying, suspending, or revoking a Tobacco Retail License, may appeal the decision, by submitting a written appeal to the City Clerk within ten (10) calendar days from the date of service of the notice of denial, suspension, or revocation. Upon good cause, the hearing officer may grant one extension for the date of the hearing not to exceed fifteen (15) days from the original date set for the hearing.
- D. Only those matters or issues specifically raised by the appellant in the notice of appeal shall be considered in the hearing of the appeal.
- E. Failure of any person to file a timely appeal in accordance with the provisions of this section shall constitute an irrevocable waiver of the right to an administrative hearing and a final adjudication of the notice and order, or any portion thereof.
