Trails Master Plan Workshop &

Are you passionate about the outdoors? Do you love taking advantage of hiking, biking and horseback riding in San Marcos trails? Do you want to have a say in the future of the city's trail network?

The City of San Marcos is offering another opportunity to attend a public workshop dedicated to discussing trails and open spaces. As San Marcos gears up to update the Trails Master Plan, the city wants to hear from you and is encouraging participation and feedback during the update process. The plan will map out a strategy to continue developing and enhancing the connectivity of the city's comprehensive, safe and efficient network of trail routes.

WHAT: Trails Master Plan Community Outreach Workshop

WHEN: Thursday, June 1 from 6 to 8 pm
