## SOCCER / FOOTBALL TURF MAINTENANCE PROGRAM

***Please assist us in making your game fields safe!!  
Inform your coaches of the following procedures:***

- Replace all semi-permanent and permanent goals with portable ones and put in place only on game days.
- Allow no practice in goal areas.
- Only practice cross-widths across game fields.
- If goals are not removable, paint “NO PRACTICE IN GOAL AREA” on crossbar.
- Move goals forward and back or side to side to help relieve wear in goal area every two weeks.
- Move touch lines from inside to further outside to help prevent wear along the lines.
- “Dot” all field corners after shifting them to save time and not have to re-measure them.
- Adhere to all field closed signs put out by the Parks Department or City Park Caretakers.
- Do not allow any games on fields that are wet to be played on.
- Allow and plan for the “Field Closed” periods for rest/renovation/recovery of turf.
- Shut down all unnecessary lights, which encourage “walk-on” night play.
- Completely remove all soccer goals & football goalposts during each off-season.

# **CITY / JOINT USE FIELD CLOSED POLICY**

SPORTS FIELDS MAY BE CLOSED AT THE DISCRETION OF THE COMMUNITY SERVICES PARKS DEPARTMENT OR THEIR DESIGNATED REPRESENTATIVES. CLOSURES ARE KEPT TO A MINIMUM WHEN FIELDS REMAIN IN PLAYABLE CONDITION. - WHEN THE HEALTH AND SAFETY OF PARTICIPANTS ARE THREATENED DUE TO IMPENDING CONDITIONS, INCLUDING BUT NOT LIMITED TO: INCLEMENT WEATHER, OVER IRRIGATION, MUDDY OR WET CONDITIONS. ETC.

## **CRITERIA USED TO DETERMINE PLAYABILITY:**

City staff will inspect all city athletic fields and determine the playability of those athletic fields using the following criteria:
